## **GLASSBUILD AMERICA 2011 SHOW FLOOR IS SOLD OUT**

**WASHINGTON, DC (August 31, 2011):** GlassBuild America: The Glass, Window, & Door Expo is no longer accepting exhibitors for the September 12<sup>th</sup>-14<sup>th</sup> event as the show floor has sold out completely.

"We are thrilled that so many incredible companies recognized the great value and tradition of exhibiting at the premier glass, window and door show in North America," commented Denise Sheehan Vice President, NGA Industry Events.

GlassBuild America is held every fall and features companies from all over the world that supply services, materials, and equipment to the glass, window and door industries. This year's event will be held at the Georgia World Congress Center in Atlanta and will feature many first time exhibitors on the sold out floor.

"There's great momentum to be involved in this event as a tool to grow business and market share. We were really pleased to attract so many new people and just honored that we continue to get such amazing loyalty from our long time exhibitors," Sheehan added.

In addition to the trade show portion of GlassBuild America, world class seminars will be held as well as professional forums for glass and glazing executives, architects and window and door dealers.
