

Information for International Exhibitors:

Booth Guidelines and Restrictions

1. If your display is an Inline/Linear Booth, you are required to follow the above height restrictions.
2. If your space does not have adjacent neighboring booths, you may apply for a variance from Show Management.
3. The display pictured above is NOT provided when you purchase space from the show. You are purchasing “Raw Space” with pipe and drape as shown below. You must rent your own display, carpet and furnishings.
4. If you do not use the Official Contractor, Freeman Decorating, you must submit proof of insurance and contact information for the company providing and building your display.

NOTE: Cardstock/heavy paper i.d. sign (as shown) that hangs from the back pipe is only available UPON REQUEST. Please see Exhibitor Services to order.
