The Metropolitan Atlanta Rapid Transit Authority (MARTA) is Atlanta's public transportation system comprised of a bus and rail system that connects all parts of Atlanta. A single \$2.50 fare covers one-way bus or train trips, including transfers. The GWCC is MARTA accessible at two stations.

For many events on the GWCCA campus, parking is at a premium and MARTA is the fastest and easiest way to arrive. This is especially true for Mercedes-Benz Stadium events, where MARTA is highly recommended.

The GWCCA is MARTA accessible at three stations.

- Events in Centennial Olympic Park can use the GWCC/CNN Station (W-1) or the Peachtree Center Station (N-1) which is approximately a six-block walk.
- Events in the Mercedes-Benz Stadium can use either the GWCC/CNN Station (W-1) or the Vine City Station (W-2)
- Events in GWCC Buildings A and B can use the GWCC/CNN Station (W-1)
- Events in GWCC Building C can use the GWCC/CNN Station (W-1) or the Vine City Station (W-2)

If you are coming from Hartsfield-Jackson Atlanta International Airport, MARTA has a rail station located at the north end of the airport, near baggage claim. This service offers the quickest and least expensive way to get to and from the airport to downtown Atlanta. For more information, visit www.itSMARTA.com and view [train and walking directions to the GWCC](#).

TAXIS:

Atlanta has more than 1,500 taxis available to take attendees to and from their hotel throughout Atlanta. With preset rates for trips to and from the airport and within Downtown and Midtown, taxis provide an economical mode of transportation.

Flat Rate Fees from/to the Airport

Downtown \$30.00

Buckhead \$40.00

Midtown \$32.00

There is a \$2.00 charge for each additional person.

Flat Rate Fees Within Downtown and Midtown

Fares originating from a business and concluding at a business within the zone of Downtown or Midtown have a rate of \$8.00 for one person. There is a \$2.00 charge for each additional person.

PRIVATE CAR SERVICE:

Both Lyft and Uber operate in the city as an alternative to public transportation. They have a specific pick up and drop off area.

STREETCAR:

Attendees staying in the downtown area can board the Streetcar at one of the 12 stops along the route to get to restaurants, hotels and other local attractions, including Centennial Olympic Park.

Visit the streetcar [website](#) for fare, schedule, and safety information. You'll also find a list of things to see and do in Downtown Atlanta that are easily accessible from the Atlanta Streetcar.

What are my options of getting from the Airport to downtown Atlanta?

The Hartsfield-Jackson Atlanta International Airport is 12 miles south of downtown Atlanta. Taxis have a flat fee of \$30 and Lyft/Uber can cost less than \$20, through price varies depending on demand. MARTA (local subway system) has a station at the west end of the airport and the ride will take 20 minutes and the fare is \$2.50 one/way. *Note fees are subject to change.*

Where can I park at the GWCC?

There are plenty of lots near the GWCC and the fare is approximately \$12 for the day. The Gold, Red, and Orange lots are the closest to Building B. [Check here](#) for the GWCC campus map.

How do I get a Letter of Invitation for my Visa application?

The NGA will issue letters of invitation and you can find all the travel [here on this site](#).
