GLASSBUILD AMERICA

VIP LOUNGE

BET ON BOOTH #2923

WELCOME TO GLASSBUILD

SEPTEMBER 2026

On behalf of the National Glass Association (NGA), the Board of Directors, our event sponsors, and the hundreds of industry suppliers exhibiting this week, welcome back to Las Vegas for GlassBuild America 2026!

I want to start by telling you about the exciting new things we have this year:

- **Daily Opening Keynotes*** will be held each morning before the exhibit hall opens. The lineup features Shark Tank's Daymond John presenting Fundamentals for Success in Business and Life; returning economist Connor Lokar with the Annual Economic Forecast; and an inspiring Women in Glass™ breakfast featuring NGA CEO Lakisha A. Woods, CAE, and Barbara Bouza, FAIA, former president of Walt Disney Imagineering and executive director of market strategies and growth at CannonDesign.
- Don't miss the **Opening Celebration*** at Allegiant Stadium on Wednesday evening, where 1,000-plus industry professionals will gather at the iconic home of the Las Vegas Raiders for an evening that sets a new standard for networking.
- The **Innovation Lounge** features a curated showcase of recently launched or soon-to-launch products from select exhibitors — this is the place to find the most forward-looking innovations in technology, sustainability, robotics, artificial intelligence, and more.
- Students from local Clark County high schools will visit the trade show as part of the **"See Yourself in Glass"** workforce development campaign, participating in a full day of programming on Friday.

And these fan favorites are back by popular demand:

- **The Main Stage** features three days of industry insights, with programming spanning the full spectrum of the glass and fenestration industry for glaziers, fabricators, manufacturers, suppliers, architects, and more.
- **The Skills Challenge** and **Shower Design Challenge** offer attendees hands-on activities to test their skills while discovering new products and services.

Throughout the week, be sure to stop by the NGA Membership Booth, #4645, where staff and fellow members alike are ready to connect. I hope to see you there.

** Additional fees apply; stop by the Onsite Registration Desk to add these items to your registration.*

NGA Membership Booth: Your Home Base at GlassBuild America

NGA is an education, advocacy and technical powerhouse on all things glass. We bring the best minds to the table to offer education and training opportunities for the future workforce; share technical and codes knowledge with members and industry stakeholders alike; and relentlessly promote, protect, and advocate for glass in buildings.

The NGA member community is 1,900-plus companies strong. NGA's publications, resources and events help guide you and your company to success.

The NGA Membership Booth, #4645, is where the NGA community comes together. Stop by and bring someone who belongs here.

Visit the NGA Membership Booth:

- Find ideas and resources that will help your team and your company
- Meet NGA staff in person, who are available to you year-round
- Build your own unique LEGO MiniFig to take home
- Take the next right step to maximize your membership and your impact within the industry

For NGA Members!

Relax & Recharge

- The Member Lounge — quiet seating, light beverages and snacks, open to NGA members throughout the trade show. Think airport lounge, no reservation needed.

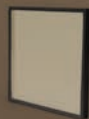

Connect & Celebrate

- The Member/Guest Reception — Thursday, Sept 24 at 4:00 p.m. Bring a guest who isn't a member yet, but should be. No sales pitch, just a chance to introduce them to the NGA community. Every member who brings a guest is entered into our reception drawing.

A natural fit

SCHEDULE-AT-A-GLANCE

Please see all updated times and programming at
GlassBuildAmerica.com.

All programming takes place at the
GlassBuild Main Stage, Booth #4737, unless otherwise noted.

The exhibit hall is open:

Wednesday, Sept 23 10:00 a.m. - 5:00 pm.
Thursday, Sept 24 10:00 a.m. - 5:00 pm.
Friday, Sept 25 10:00 a.m. - 1:00 p.m.

Registration (Room W106-W109) is open:

Wednesday, Sept 23 8:00 a.m. - 5:00 p.m.
Thursday, Sept 24 8:00 a.m. - 5:00 p.m.
Friday, Sept 25 8:30 a.m. - 1:00 p.m.

The Skills Challenge (Booth #4755) is open:

Wednesday, Sept 23 10:00 a.m. - 5:00 pm.
Thursday, Sept 24 10:00 a.m. - 5:00 pm.

If you have questions about membership
or benefits through the National Glass
Association, you can speak with staff at
Booth #4645 at the following times:

Wednesday, Sept 23 10:00 a.m. - 5:00 pm.
Thursday, Sept 24 10:00 a.m. - 5:00 pm.
Friday, Sept 25 10:00 a.m. - 1:00 p.m.

Wednesday, Sept. 23

8:30 - 10:00 a.m. — Keynote: "Daymond
John's 5 Shark Points: Fundamentals for

THE OPENING CELEBRATION

Join 1,500-plus glass and glazing industry professionals for an exclusive evening at the iconic home of the Las Vegas Raiders. This premier event, The Opening Celebration at the 2026 GlassBuild America Trade Show, will set a new elevated precedent for attendees and provide unparalleled networking and connections that will last for years to come.

Allegiant Stadium | Las Vegas, Nevada

Wednesday, Sept. 23, 2026 6:30 – 9:00 p.m.

Tickets are \$100 and are available at the registration desk until 5 p.m. Wednesday, Sept. 23. *

**subject to availability*

What to know about this event:

Transportation is provided for the opening party from nearby convention hotels. General attendee bus pick-up will take place at:

- o Paris/Horseshoe: Paris Tour & Travel Entrance
- o Westgate: East Tower Entrance, which is located in the back of the hotel off of Joe W. Brown
- o Resorts World: Bottom of the porte cocheres

Attendee buses will stage at 6:00 pm to depart at 6:15 pm.

All attendees must wear their GlassBuild America badge. For those bussing to the stadium, badges will be checked at bus pickup locations. Badges of those who are pre-registered for the event will have a football icon.

Parking available in Lot C or A - accessed via Dean Martin. For those driving to the stadium, badges will be checked at stadium entry.

All guests arriving at Allegiant Stadium will need to go through a security screening upon entry. All handbags/backpacks will go through an onsite x-ray machine. There is not a bag check at the stadium.

All guests should enter at the FORD NORTH ENTRY, Center gates #1 and #2.

At the event:

- o Gourmet catering and premium specialty cocktails will be available throughout the venue.
- o Live entertainment will create an unforgettable atmosphere.
- o Attendees can enjoy unparalleled networking with industry leaders, executives and decision-makers.
- o Get behind-the-scenes stadium access, including Raiders' locker rooms, VIP lounges and suites.
- o See architectural glass products from NGA members and GlassBuild exhibitors.

3 Days of Opening Keynotes

For the first time, GlassBuild will host a special Keynote Theater at GlassBuild, featuring a dynamic opening keynote program each morning of the show, prior to the opening of the exhibit hall.

All keynotes will take place at GlassBuild's Keynote Theater in Room W232 off the show floor. Separate registration is required. Attendees may add on keynote registration during all open registration desk hours.

As of August 30, 2026. Schedule is subject to change.

Wednesday, Sept. 23, 8:30 a.m.

Shark Tank's Daymond John

GlassBuild welcomes Daymond John, star of ABC's Shark Tank, entrepreneur, and FUBU CEO/founder, as the show's kickoff keynote.

One of America's most recognized business minds will share his story of building a brand from nothing and the strategies that drive growth, in the keynote "Daymond John's 5 Shark Points: Fundamentals for Success in Business and Life."

PLUS:

Opening remarks from NGA President and CEO Lakisha A. Woods, CAE
A special presentation of the Glass Magazine Awards and Window + Door Awards project and leadership award categories, with emcee Mic Patterson, ambassador of innovation & collaboration, Façade Tectonics Institute

Thursday, Sept. 24, 8:30 a.m.

The Construction Forecast with Connor Lokar

Economics delivers his annual data-driven forecast on day two of the show, a presentation designed to help your business plan with confidence. Lokar

specializes in applied economic analysis and forecasting for construction and industrial markets, making him uniquely positioned to speak to the glass and fenestration industries.

PLUS:

Opening remarks from NGA Incoming Board Chair Demetrios "Jim" G. Stathopoulos, P.E., CEO of Ajay Glass Co.

A special presentation of the Glass Magazine Awards and Window +and Door Awards product categories, with emcee Elton Boocock, AI strategist, thinkivity

Friday, Sept. 25, 8:30 a.m.

Women in Glass™ – Workforce Leadership Breakfast and Keynotes

Closing out the keynote program on day three is Women in Glass™ – Workforce

Leadership Breakfast. NGA Board member Syndi Sim, director of sales and business development, Q-Railing, will emcee this

event, with keynotes focused on workforce development, featuring Lakisha A. Woods, CAE, NGA President and CEO, and Barbara Bouza, FAIA, former president, Walt Disney Imagineering and executive director of market strategies and growth, CannonDesign.

we • glass

we know glass, we love glass

Bottero is the only company in the world that engineers, manufactures, installs, and services equipment for both flat and hollow glass.

Due to its uniqueness, **Bottero** is the ideal partner for glass producers and processors seeking advanced technologies to shape one of the most beautiful and useful materials: glass. Our commitment to innovation and technology drives us to continuously seek newer and more effective solutions to enhance and expand the use of glass.

Since 1957, **Bottero** has been dedicated to serving customers worldwide with a passion for technology and innovation. With over 200 different types of glass production equipment and more than 60,000 processing machines installed around the globe, Bottero is an indispensable partner for anyone looking to work with glass.

Main Stage

Don't miss the GlassBuild Main Stage in Booth #4737 for three days of industry insight, networking, and celebration, right on the show floor. Open to all attendees, this dynamic hub is presented by the National Glass Association and sponsored by MyGlassClass.com, Glass Magazine, and Window + Door. Programming spans the full spectrum of the glass and fenestration industry, with sessions for glaziers, fabricators, suppliers, architects, and more.

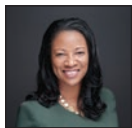

Wednesday, Sept. 23

Glass Design Exchange: Where glazing expertise meets design innovation to shape the future of glass

From daylighting and human health, to advanced glazing systems, to incredible case studies in glass, the Glass Design Exchange delivers a full day of education built around one central idea: glass and fenestration are essential to better buildings. Architects earn 5+ LU/HSW credits from the AIA while exploring real project failures and lessons learned, code and advocacy updates, and emerging technologies like vacuum insulating glass and thin triples. Whether you specify, fabricate, or install, this is where the conversations that shape the next generation of building design begin.

EDUCATIONAL PROGRAMMING

Tom Culp, NGA code contractor, Owner at Birch Point Consulting

Lisa Heschong, daylight design researcher, architect, author and educator

1:00 – 1:30 p.m.

Case Studies: Project Failures & Lessons Learned

Hear from a façade design expert as they share real project failures, examining the decisions, conditions, and missteps that led to costly outcomes and what design and project teams can take away to avoid repeating them.

Raul Espinosa, Principal at Curtain Wall Design & Consulting Inc.

1:45 – 2:35 p.m.

The Retrofit and Recycling Opportunity

As adaptive reuse reshapes the built environment and local codes raise the bar for existing buildings, leaders in sustainable design and materials recycling explore how glazing professionals can capitalize on the growing retrofit and renovation market.

Mic Patterson (Moderator), Ambassador of Innovation & Collaboration at Facade Tectonics Institute Inc.

Sophie Penner, Founder & CEO at Digne

Stephen Selkowitz, Principal at Stephen Selkowitz Consultants

Sponsored by: Dow

2:50 – 3:20 p.m.

Need to Know Glass and Glazing Codes

NGA's expert codes team returns to the Main Stage to break down the most critical code, standard, and regulatory updates on the horizon and what glazing professionals need to know to stay ahead of them. Speakers:

Tom Culp, NGA code contractor, Owner at Birch Point Consulting

Urmilla Jokhu-Sowell, Vice President, Advocacy & Technical Services at National Glass Association

Sponsored by: Trulite

3:35 – 4:25 p.m.

The Present and Future of VIG

Vacuum insulating glass has arrived on the market, but questions remain about performance, application, and long-term potential. Experts cut through the confusion and explore where VIG fits today and where the technology is headed.

Erdman is revolutionizing the 4SG thermoplastic market.

Three lines, built around your volume.

Get in the game

Just launched

Essential Line

Lower volume, or a catch-all line?

- Entry-level, or remakes and specials
- Lower volume, smaller footprint
- 72" x 96" in 81 ft or less
- **Lowest cost option**

Built for traditional production

Traditional Bond

Need a proven, full-range line?

- Proven traditional bond production
- Full glass size range
- Dependable everyday throughput
- The whole world is doing it, and it works

Better. Stronger. Faster.

Cohesive Bond (CB)

Fastest speeds with production benefits.

- Better: improved grid placement and retention
- Stronger: immediate bond, no slump
- Faster: highest throughput, fastest cycle
- More performance, speed and airspace options, with less waiting for wet-out and material costs

Erdman revolutionized Dura™ Spacer and Foam Spacer production. Thermoplastic spacer is next.

All three run thermoplastic spacer for a true four-sided seal.

See all three at GlassBuild 2026

glass, glazing and fenestration businesses. Hear from economists, marketing leaders, safety specialists, and workforce innovators who are shaping the future of the industry, and walk away with the tools, data, and peer connections to put ideas into action.

Main Stage

10:30 – 11:00 a.m.

Social Media and Marketing : What's Working, What's Not, and What's Next

The social media and marketing playbooks continue to be rewritten. This panel of glass and glazing marketing leaders and well-known industry social media content drivers share what is actually working in 2026, what they have stopped doing, and how they are thinking about content, social strategy, and growing the image of the glass industry on a broad scale.

Business of Glass: Practical insights on profitability, innovation and the people driving the industry forward

From housing market intelligence and marketing strategy, to workforce development, safety, and the technical updates reshaping how companies operate, day two of the GlassBuild Main Stage delivers a full day of education built around one central idea: running stronger, smarter

See us at GlassBuild America,
booth 3145.

The perfect combination of
MAN & MACHINE

Scan to see cleaner combination.

EDUCATIONAL PROGRAMMING

11:05 – 11:20 a.m.

Innovation Presentation: Transforming Window & Door Manufacturing with Infor CPQ

Discover how leading window & door manufacturers and distributors are using Infor CPQ to simplify complex product configuration, accelerate quoting and deliver better customer experiences from any application. Explore real-world applications of CPQ in the fenestration industry.

Shelley Horn, Industry
Principal Sales Director at Infor

11:35 a.m. – 12:20 p.m.

Seeing Through the Noise: Residential Fenestration Dynamics

Chris Beard returns to the GlassBuild Main Stage to discuss the dynamic and volatile environment that has defined the fenestration industry over the last few years. He will share macro insights on where the consumer is, and forecasts for the next several years with special attention on the fenestration industry gleaned from the unique partnership between NGA, Window + Door and JBREC.

Chris Beard, Vice President,
Building Products Research
at John Burns Research and
Consulting

12:25 – 12:55 p.m.

Managing Risk, Protecting People: A Safety Conversation for Glass and Glazing Companies

Safety in the glass, fenestration and glazing industries spans the plant floor, the delivery truck and the jobsite, and the risks at every stop are real. Attendees to this session will leave with practical strategies, smarter tools and a clearer plan to ensure every employee gets home safely.

DOOR HARDWARE BUILT FOR MODULAR SPACES

Door hardware designed for flexible glass environments and modern office design.

**THE RIGHT DOOR HARDWARE
MAKES IT ALL POSSIBLE.**

BUILT FOR **PERFORMANCE**, BACKED BY **EXPERTISE**.

Modular office systems are transforming how spaces are built and rebuilt. JLM Wholesale supports these environments with door hardware solutions backed by specification support, application expertise, and inventory stocked across five warehouse locations, helping keep your projects moving from design through installation.

APPLICATION & SYSTEM COMPATIBILITY

Correct hardware application for ease of installation

TECHNICAL SUPPORT

Expert support from our sales technicians throughout every stage of your project

CLEAN AESTHETIC

Minimal hardware that complements glass environments

PATCH FITTINGS

Clean, secure solutions for frameless glass

EXIT DEVICES

Code-compliant, free egress

DOOR CLOSERS

Controlled, consistent performance

ACCESSORIES & COMPONENTS

Complete every opening with confidence

EDUCATIONAL PROGRAMMING

1:30 – 2:00 p.m.

Building Talent: The Business Case for Glazier Apprenticeship

Faced with a shrinking pool of skilled labor, business owners in the glazing industry are turning to apprenticeship programs to build their own pipeline of qualified workers. In this panel, owners share firsthand how investing in apprenticeship has paid off, from easier recruiting to stronger retention to a more skilled and loyal crew. Walk away with practical insight into what apprenticeship really costs, what it delivers, and whether it's the right move for your business.

Jenni Chase (Moderator),
Vice President, Workforce
Development at National Glass
Association

Amy Hadfield, Director of
Apprenticeship at National
Glass Association

Mike O'Neal, President at
Chesapeake Glazing LLC

Kathy Millard, President at
Modern Glass Company

2:05 – 2:35 p.m.

NAFS-26 | Understanding Key Changes and Impacts on Testing Requirements

The 2026 edition of AAMA/WDMA/CSA 101/I.S.2/A440, the North American Fenestration Standard/Specification for

windows, doors and skylights (NAFS), introduces important updates that impact fenestration product testing, labeling and approval across North America.

Aaron Blom, Technical Training
Specialist at Fenestration and
Glazing Industry Alliance

2:40 – 2:55 p.m.

Innovation Presentation: The Estimating Process Is Changing. Is Your Team Ready?

Three bid sets land in the same week and something gets rushed, or it gets passed on entirely. Glazing and curtain wall contractors have been climbing the same ladder to fix this: first tightening up internal processes, then outsourcing overflow to third-party estimators, then adopting markup tools with some AI assistance built in. Now agentic AI is the next rung. This session looks at where estimating stands today across that progression.

Sumant R. Shringari, CEO &
Co-Founder, Streamline Corp.
Sponsored by: Streamline
Corp.

3:45 – 4:30 p.m.

Installing Committee Highlights

The NGA Installing Committee serves as the hub for all discussion and activities related to installing companies — including contract glaziers, building envelope contractors and full-service glass companies — with a focus on education, technical resources, events and communication across the supply chain. Hear task group activities related to delegated design/design assist/design

build, frameless shower enclosures, and interior glass partitions in Division 8 versus Division 10. Meet members of the NGA Installing Committee and learn how to get involved in this interactive session.

Friday, Sept. 25

Legacy and Leadership

From milestone celebrations to succession strategies, a day built for owners and next-generation leaders. Day 3 at the Main Stage includes the Family Business Breakfast and Recognition, with special celebration honoring companies marking milestone anniversaries and notable achievements, followed by a panel focused on building a lasting legacy. Whether you are building your bench, planning a transition, or simply proud of how far your company has come, this is your day.

10:15 – 11:00 a.m.

Family Business Breakfast

Main Stage

10:30 – 11:00 a.m.

Generations of Glass: A Family Business Celebration

Join us for a special celebration recognizing companies marking milestone anniversaries and notable achievements, honoring the legacy of those who built what exists today and the next generation carrying it forward.

Max Perilstein (Emcee),
Founder at Sole Source
Consultants

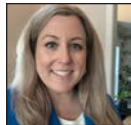

11:05 – 11:45 a.m.

Who's Next: Building the Leadership Pipeline That Keeps Your Company Strong and Protects Long-Term Value

The best succession stories do not start when a founder decides to step back. They start years earlier, with intentional decisions about people, structure, and culture. From an ownership and investor perspective, leadership continuity can directly impact strategic planning, transaction readiness and long-term value. Family business or not, if leadership continuity matters to your company, this session is built for you.

THE INNOVATION LOUNGE

New in 2026, the Innovation Lounge, located on the GlassBuild America show floor, is your destination for what's next.

Explore a curated showcase of recently launched or about to launch products from select GlassBuild exhibitors. The Innovation Lounge is open all hours of the show and features the most forward-looking products in the areas of technology, sustainability, robotics, artificial intelligence, and architectural glass.

AI (Artificial Intelligence). The AI zone inside the Innovation Lounge showcases

how artificial intelligence is reshaping the way glass and fenestration companies design, quote and manufacture. See

how predictive systems are reducing waste, accelerating lead times, and putting smarter decisions in the hands of the people who need them most.

Exhibitors:

A+W Software, booth IA-17
 Glazier Software, booth IA-11
 Rehau Window Solutions, booth IA-06
 Streamline Corp, booth IA-03

PLUS:

AI Office Hours

Sept. 23 and Sept. 24
 11 a.m. - 12 p.m. and 3 p.m. - 4 p.m.
 Located in the Innovation Lounge

Got AI questions you haven't had a chance to ask? Elton Boocock, AI strategist for the glass and fenestration industries, and head of Thinkivity AI, is holding office hours in the GlassBuild Innovation Lounge. Bring your concerns, your implementation headaches,

or your "where do we even start" questions. No slides, no pitch, just straight answers from someone who's been in the weeds with AI in plants and jobsites just like yours.

Technology. Step into the Technology zone to explore the connected ecosystem

powering modern glass operations. Whether you're looking to digitize your workflow, upgrade your CNC capabilities or integrate your ERP with your production line, this zone puts the tools to transform your business right in front of you.

Exhibitors:

Dakota Automation, booth IA-01
 Fenzi Group, booth IA-20
 FlexScreen RiteScreen, booth IA-15
 Forel North America, booth IA-23
 GED Integrated Solutions, Technoform North America, Vitro, booth IA-09
 Glaston America, Inc., booth IA-10
 Lattuada North America, booth IA-12AB
 Rehau Window Solutions, booth IA-06
 Visionar Window Systems, Inc., booth IA-08

Robotics. The Robotics zone puts automation front and center. Watch live demonstrations of robotic arms handling

large-format glass with precision and speed, collaborative robots working safely alongside human operators, and automated processing systems that are

redefining throughput for fabricators of every size.

*Intelligent
Automation*

INTERCEPT® EXTREME™ ON INTERCEPT 2.5

This next-generation warm-edge spacer system is engineered to help manufacturers balance three critical priorities: superior spacer thermal performance, durability and IG production efficiency

CMM 2.0™ — THE REINVENTED COLONIAL MUNTIN MACHINE

The new generation of the tried-and-true Colonial Muntin Machine, the reinvented CMM 2.0™ adds cutting edge technologies in hardware and software to an already tested muntin processing system

Intercept® Extreme™ & Reinvented CMM 2.0™

Enhance your IG production efficiency and energy performance with **Intercept® Extreme™** — a thermally broken U-shaped spacer with stainless-steel side walls and a polymer bridge. Fabricators can now match IG thermal performance and aesthetics to application requirements by choosing from three warm-edge material options that run on one proven platform. Streamline the muntin fabrication process with the reinvented **CMM 2.0™**, reducing labor, increasing output and quality. **See the CMM 2.0™ in action at GlassBuild America in Vegas at booth #2144 and meet the team behind Extreme™ at the innovation lounge IA - 9**

"The Innovation Lounge represents everything GlassBuild America stands for: giving our industry a firsthand look at what's next," says Sarah Swango, vice president of development and sales, NGA. "From AI-driven design and quoting to robotics reshaping the fabrication floor, this is where our members will see the innovations that will define the next decade of glass and glazing. We're proud to give these forward-thinking exhibitors a dedicated space to showcase what's possible."

Glass Cast Podcast Studio

GlassBuild America will once again host live podcasts on the show floor at the Glass Cast Podcast Studio, located outside W1 Entrance.

Glass Cast is the official podcast of the National Glass Association and its publications, Glass Magazine and Window + Door.

All episodes will be distributed on all top podcast platforms and on video on YouTube.

Sponsored By: Corning, CRL, H.B. Fuller, Kömmerling, NSG Pilkington North America, Quanex, Tremco, and Vitro Architectural Glass

Skills Challenge and Shower Design Challenge

GlassBuild America will once again host the Skills Challenge and NGA Shower Design Challenge on the trade show floor during show hours Wednesday and Thursday.

Specifically designed for glaziers, this unique space offers attendees the opportunity to participate in hands-on activities to test their skills while learning about new products and services.

Located at Booth #4755, the event will feature two activities:

The GlassBuild Skills Challenge: A space dedicated to commercial and residential glaziers to try their curtain wall, storefront and sealant installation skills while exploring new products and opportunities designed to further their skills.

Sponsored By: AGMT, Dow, and Hardware & Glass

The NGA Shower Design Challenge:

A space dedicated to all things shower enclosures. Glaziers can test their installation and measurement skills, learn about new products, and network with peers.

Sponsored By: FHC, Flexijet North America, Shower Door Professionals Co-Op, and Smart Glazier Software

Delivering the latest news in the glass, glazing and metals industries to your computer, tablet or smart phone.

To receive your copy every Tuesday, go to GlassMagazine.com and click the subscription tab at the top of the home page.

Celebrating 20 Years of the Glazing Executives Forum

At GlassBuild 2026, the National Glass Association recognizes 20 years of the Glazing Executives Forum, GlassBuild's educational conference and networking event for owners and managers of glazing subcontractors. For two decades, the Glazing Executives Forum has brought together company leaders for a day of glass industry business management education and peer networking. The NGA recognizes the success of the program and its focus on improving companies by expanding opportunities for glazing business leaders over all three days of the show.

"In celebration of 20 years of the Glazing Executives Forum, this year's show will debut the Keynote Theater at GlassBuild, featuring three days of powerhouse opening keynotes, VIP opportunities and dynamic networking experiences," says Lakisha A. Woods, CAE, president and CEO of the National Glass Association, owner of GlassBuild. "The keynotes are above and beyond all that GlassBuild already offers, taking place off the trade show floor and before expo hours, allowing attendees and exhibitors ample time to do it all and see it all."

The Keynote Theater program features returning Glazing Executives Forum economist Connor Lokar, in addition to Shark Tank's Daymond John with a keynote designed for business leaders and entrepreneurs.

On the show floor, glazing company leaders get three days of education at the Main Stage. Sept. 23 at the Main Stage features the Glass

Design Exchange, offering need-to-know design, performance and market trends for the whole project team. Sept. 24 at the Main Stage focuses on the Business of Glass, with glazier-focused sessions on marketing, recruitment, and safety and risk management. Plus, the afternoon features a meeting of the NGA Installing Committee, with a focus on Division 8 versus Division 10. Sept. 25 at the Main Stage presents an ever-important topic for glazing contractors: leadership succession.

Finally, don't miss the Glazier Happy Hour, Thursday, Sept. 24, 2-3 p.m. at the Innovation Lounge.

See Yourself in Glass

GlassBuild America will host students from Clark County high schools in Las Vegas to visit the tradeshow as part of NGA's "See Yourself in Glass" workforce development campaign, with the goal of raising awareness of career opportunities in the glass and glazing industry among youth.

Students will participate in a full-day of programming, September 25, including:

- A Career Discovery Tour of the trade show floor, where they will visit exhibitors and learn about careers available to them
- Hands-on activities in the Skills Challenge area
- A Keynote Speaker panel to learn how to prepare for and find jobs in the industry.

This event is made possible through donations to the NGA Foundation in support of the Association's workforce development efforts.

GlassBuild America

September 23-25 (Wed-Fri)

Las Vegas Convention Center **West Hall**
300 Convention Center Dr, Las Vegas, NV

Registration

Location: West Hall W106-W109

Monday, Sept. 21 1:00 p.m.-5:00 p.m.
(Exhibitor Registration)

Tuesday, Sept. 22 9:00 a.m.-5:00 p.m.

Wednesday, Sept. 23 8:00 a.m.-5:00 p.m.

Thursday, Sept. 24 8:00 a.m.-5:00 p.m.

Friday, Sept. 25 8:30 a.m.-1:00 p.m.

Badges

At the GlassBuild America trade show, registered attendees receive a name badge as part of their registration package. Each badge includes a QR code containing the attendee's name, mailing address, phone number, and email address.

Attendees can choose to have their badge scanned on the trade show floor, allowing exhibitors to receive their contact information.

Forgot your badge in your hotel room or misplaced it? No worries! A replacement badge can be printed at Registration for a \$15 fee.

Blue Stripe — Exhibitors

Red Stripe — Attendees

Orange Stripe — Youth Registration (Ages 12-18)

It's important to wear your badge at all times during the trade show. The badge is required for entry to all official functions.

GlassBuild America Trade Show

The trade show will be held in West Hall (W1-W4)

Wednesday, Sept. 23 10:00 a.m.-5:00 p.m.

Thursday, Sept. 24 10:00 a.m.-5:00 p.m.

Friday, Sept. 25 10:00 a.m.-1:00 p.m.

We have over 550 exhibitors at GlassBuild America this year. Exhibiting companies and organizations will provide the latest information on products and services available to attendees.

First-time exhibitors and companies debuting new products are highlighted in the aisles, on locator signs, in the Alphabetical List of Exhibitors starting on page 60.

On-Site Services

Accessibility

Scootaround is the leader in mobility equipment rentals for conventions, fairs, and trade shows across North America. With one call, we can develop a comprehensive program to meet all your visitors' mobility needs and Americans with Disabilities Act (ADA) guidelines. Advance reservations are encouraged for a scooter or wheelchair rental by visiting the Scootaround website. Please call 1-888-441-7575 for more information or online at www.scootaround.com

ADA Accessibility

The LVCC West Hall is designed with wheelchair ramps, automatic doors, passenger elevators and handicap-accessible restroom facilities.

Braille: Throughout the LVCC facility, meeting room, restroom and elevator signs contain braille text for visually impaired guests.

GENERAL INFORMATION

Parking: The LVCC has parking spaces available for guests with disabilities at various locations near the West Hall.

TDDs: TDDs (Telecommunications Device for the Deaf) are permanently installed at various locations throughout the facility.

Mother's Room is located in the West Hall 4 lobby. It offers a private room for mothers although there is no refrigerator in the room. To have use of the room in privacy, please look for the 24-hour dispatch call details on the front of the door. Once you call dispatch, you will be buzzed in and the room is "reserved" until the mother leaves.

FedEx Office Business Center

FedEx is the primary provider of business services within the LVCC, including the West Hall. Services include consultation on signs and graphics, high-speed/high-volume printing, traditional printing and copying, business cards, posters and banners (including grand format printing) fax services, packing and shipping, computer and internet access as well as an array of office supplies. The business center also offers secure storage coat and bag check, equipment rental, and scooter rental.

FedEx is located behind the Food hall on the main level.

GENERAL INFORMATION

Transportation

Ride Share/Taxi: Rideshare is on the West Side of West Hall, near the West Hall LOOP station and Taxi service is on the front main lobby entrance

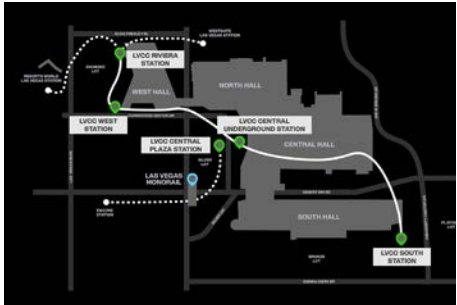

Vegas Loop at the Las Vegas Convention Center (LVCC) is an underground transportation system consisting of approximately 2 miles of tunnels built to accommodate electric, zero-emissions Tesla vehicles. The system is designed to transport between five stations across the 200-acre Las Vegas Convention Center campus in a fun and convenient way, free of charge! Typical walk time between the West Hall to the existing North/Central Hall can take up to 25 minutes. The same trip on the Vegas Loop at Las Vegas Convention Center takes approximately 2 minutes.

- Free On-Campus Rides
- Off-Campus Rides

Attendees can access Vegas Loop at Las Vegas Convention Center via four stations:

- South Station – Adjacent to South Hall, this station is located above ground
- Central Station – Near the Central Hall Main Entrance, this station is located below ground and is accessible via escalator or elevator

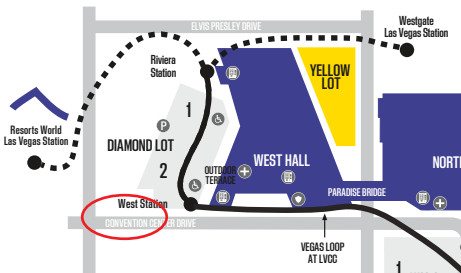

- West Station – Adjacent to West Hall, this station is located above ground
- Riviera Station – At the North side of the West Hall closest to Elvis Presley Drive, with direct access to Resorts World. This station is located above ground.
- Westgate Station – At the hotel's main covered entrance area

Travel to destinations outside the campus requires a valid ticket. To view all available stations, see ticket pricing, and purchase tickets, visit lvloop.com/tickets.

Hours:

Saturday, Sept. 19:	7:00 a.m. – 7:00 p.m.
Sunday, Sept. 20	8:00 a.m. – 5:00 p.m.
Monday, Sept. 21	8:00 a.m. – 5:00 p.m.
Tuesday, Sept. 22:	7:00 a.m. – 5:30 p.m.
Wednesday, Sept. 23:	7:00 a.m. – 6:00 p.m.
Thursday, Sept. 24:	7:00 a.m. – 6:00 p.m.
Friday, Sept. 25:	7:00 a.m. – 6:00 p.m.

GENERAL INFORMATION

Las Vegas Monorail

Let the Las Vegas Monorail (<https://www.lvmonorail.com>) be your ultimate transportation solution! The Monorail offers a fast, reliable, and eco-friendly way to travel along the Las Vegas Strip, directly connecting several resort hotels and the Las Vegas Convention Center.

Why Choose the Monorail?

- **Convenience:** Seven stations, including MGM Grand, Paris Las Vegas, Caesars Palace, Harrah's/The LINQ, the Convention Center, Westgate, and SAHARA.
- **Speed:** Skip the traffic and arrive in minutes with trains arriving every few minutes.
- **Ease:** Paperless tickets let you scan your phone at the gate.

The Las Vegas Monorail is pleased to offer your group exclusive discounts on advance purchase of Monorail tickets. Buy your tickets now and download your mobile tickets directly to your mobile wallet and your phone becomes your ticket to ride.

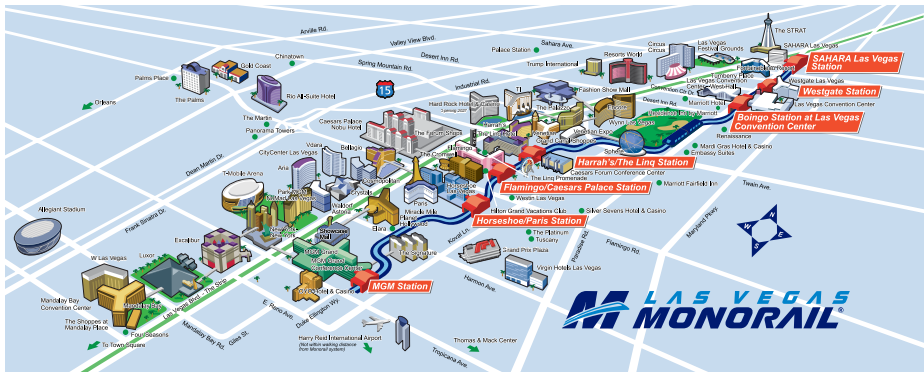

The Las Vegas Monorail offers mobile tickets and several fare types to suit travel needs, from a one-way trip to an unlimited-ride pass.

Parking

For attendees who plan on driving, the LVCC campus comprises several halls and an array of event parking lots. The Diamond Lot sits right next to the West Hall, with the Silver Lot nearby as a second option.

The standard Las Vegas Convention Center parking fee is \$20 per day. If you keep your paid parking receipt, you'll have in/out privileges and be able to exit and enter the lot several times if you wish. All LVCC parking structures accept cash and credit cards, but you can also reserve parking in advance through ParkMobile. Note that overnight parking is prohibited.

ACCESSIBLE PARKING is available in Diamond. These spots are obtainable on a first-come, first-served basis and cannot be pre-booked. To occupy an ADA parking stall, a visitor has to own and display a disabled parking permit or license plate. Standard parking rates apply.

GENERAL INFORMATION

Things to Do in Las Vegas

Check out the Vegas.com website for details.

Show your badge and Save!

The Las Vegas Convention and Visitors Authority is pleased to introduce its new Show Your Badge & Save Program, VEGAS UNLOCKED!

The LVCVA has negotiated some fantastic discounts around Las Vegas exclusive to our conventions and meetings visitors, making it convenient for show organizers to deliver added value directly to attendees.

Delegates will enjoy easy access to exclusive discounts on dining, entertainment, attractions, tours and more, ensuring both a productive and unforgettable stay in the world's No. 1 tradeshow destination!

Scan QR code to take advantage.

Housing

Hotel reservations for GlassBuild America are provided by Maritz, the Official Housing Partner of the National Glass Association. Hotel reservations are now being managed directly by each hotel. Please contact your hotel for questions regarding your reservation, including changes or cancellations. If you experience an emergency or need additional assistance, you may contact Maritz at 864-342-6299 or GBA.Attendee@maritz.com during business hours."

Emergency Information

LVCC Security: (702) 892-7400

Calling "911" individually delays the response to an emergency.

Always call Las Vegas Convention Center Security first.

See something, Say something – emergency text # (702) 505-4555

The LVCC will have a registered nurse staff the West Hall nurses' office on Show Days, during show hours only. First Aid room is located in the West Hall 1st floor – right across from meeting room W110

- Walgreens: Located at 2427 S. Las Vegas Blvd, 702-545-9494
- Sunrise Hospital: 3186 S Maryland Pkwy, Las Vegas, NV 89109, 702-961-5000
- Quick Fix Urgent Care LV: 3200 S Las Vegas Blvd #2000, Las Vegas, NV 89109, 702-790-0284
- Concentra Urgent Care: Located at 3900 Paradise Rd (open Monday-Friday only), 702-369-0560
- Las Vegas Strip 24 Hour Urgent Care: Located at 4080 Paradise Rd, 702-677-2644
- Convention Center Area Command (CCAC) of the Las Vegas Metropolitan Police Department: 750 Sierra Vista Drive, Las Vegas, NV 89169. (702) 828-6430
- Clark County Fire Station #12: Located at 3050 S. Sammy Davis Dr Jr.

GENERAL INFORMATION

GlassBuild America Security

The existing Building Security Staff are already present at the LVCC. Safety first!

How to Report an Incident or Concern:

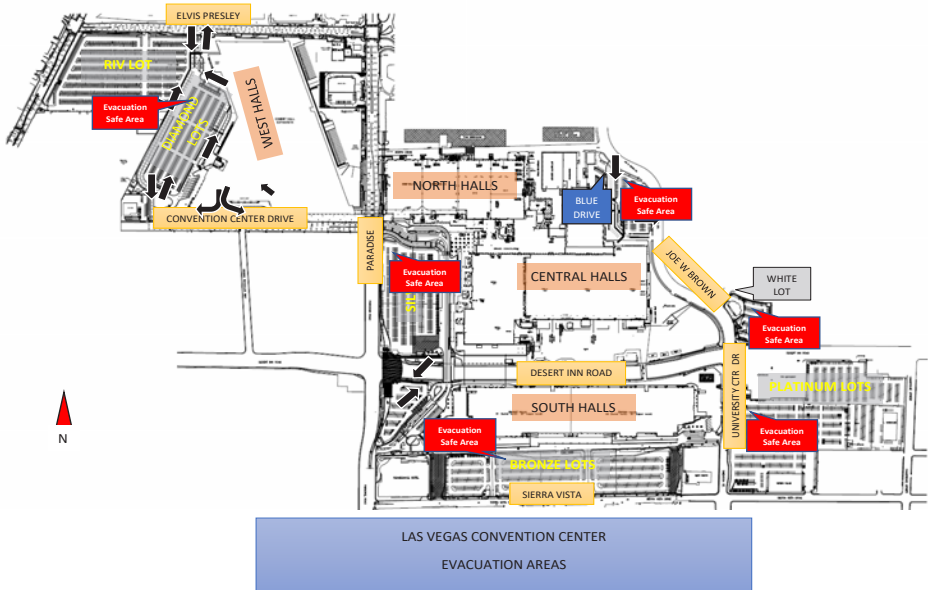

In case of any concerns or emergencies during GlassBuild America, attendees can seek assistance from NGA staff members at various locations such as the Main Stage, NGA Member booth, NGA Sales or Registration.

GlassBuild America Policies & Procedures

Photography

It is essential to respect the exhibitors' wishes regarding photography and video recording. Attendees are restricted from taking photos and/or videos unless the exhibitor has given permission before capturing booth displays or products. Violation of this policy risks having their device confiscated or being evicted.

PRODUCTS

GENERAL INFORMATION

Children in the Exhibit Hall

It is crucial for parents to accompany and supervise children under 16 while exploring the exhibit areas at GlassBuild America.

Strollers are allowed during published show hours, but attendees should be aware of the associated risks. Attendees assume all risks associated with the use of strollers on the show floor, including but not limited to personal injury or property damage.

Unauthorized Solicitations/Suitcasing

Solicitation or promotion of products and services to attendees or exhibitors from non-exhibitors is strictly prohibited.

Please be aware that, for security and safety reasons, no handcarts, trolleys, rolling bags/luggage or boxes are allowed in the Exhibit Hall during show hours (excluding exhibitors). Attendees found on the exhibit floor with these items will be asked to leave the Exhibit Hall. Bags may be stored at the coat/baggage check at the applicable rates.

“Suitcasing” refers to those non-exhibitor registrants who solicit business in the exhibit hall, meeting rooms, lobby area, etc. Please report any suspected suitcasing activity to GlassBuild Management. Individuals/Companies that violate this policy will be subject to revocation of registration credentials and suspension of future exhibit or registration privileges.

Please report any violations you may observe to NGA staff located in the NGA Sales Office in booth #4749 on the trade show floor.

Personal Responsibility

By attending GlassBuild America, attendees voluntarily assume all risks related you agree to abide by and engage in conduct that is beneficial to the health and safety of the event and all persons attending and agree not to hold the National Glass Association (NGA) or any of their affiliates, including partners, sponsors, directors, officers, employees, agents, contractors, volunteers, or sponsored venues liable for illness. Safety precautions are essential.

DON'T JUST BUY A FURNACE

Invest in your business, with MAPPI.

UP TO **66** WORKING DAYS*
OF ENERGY SAVED

A MAPPI FURNACE DOESN'T STOP BETWEEN BATCHES.

In conventional furnaces, waiting time between cycles means wasted energy. MAPPI eliminates this interval, saving the energy equivalent of up to 2 hours of operation during an 8-hour working day. Up to 44 hours per month and 528 hours per year, the equivalent of 66 working days*.

**GlassBuild
AMERICA**
THE GLASS, RENOV & BODIL EXPO
september 23-25
Booth 2235

INTERNATIONAL TRADE FAIR FOR GLASS
PRODUCTION • PROCESSING • PRODUCTS
october 20-23
Hall 16 / B25

Over a working life of more than 15 years, energy savings become real value.
For your production, your business and your investment.

FOR
MORE
INFORMATION
www.mappi.it

*Estimated savings based on the tempering of 4 mm flat glass, with cycles of approximately 180 seconds and waiting times of up to 60 seconds between loads in conventional furnaces. Calculated over 22 working days per month and 8-hour working days.

High-performance solutions for insulating glass, fenestration, and cladding systems

Incorporating Technoform's plastic hybrid stainless steel warm edge spacer and high-precision polyamide-based insulation profiles in fenestration improves thermal performance and condensation resistance without sacrificing durability or design.

Technoform's thermal isolator clip is an ideal solution for managing thermal bridging at panel attachments to increase the overall thermal performance of structures with cladded exteriors.

Let's talk solutions at GlassBuild!

COMPLEX GLASS STARTS WITH THE RIGHT STEEL.

*Sophisticated structural framing
and custom glass-support steel
for glazing and curtain wall contractors.*

Architectural glass that goes beyond industry norms demands precision, collaboration and technical expertise. NIF partners with glazing contractors, engineers and architects to deliver structural steel solutions that bring complex designs to life.

Our Expertise

- Code compliant structural steel framing
- Tight-tolerance fabrication
- Complex geometry & specialty welding
- Sophisticated and beautiful coatings

Let's make your next project a success!

Improve Your Productivity by Automating the Costly Window Screen Spline Insertion Process

JOIN US AT

GlassBuild
AMERICA

THE GLASS, WINDOW & DOOR EXPO

September 23-25, 2026 | Las Vegas, NV

Presented by **NGA**

**BOOTH
2359**

Winpro Screen Express

Semi-Automatic Screen Assembly Machine

Eliminate the costly, labor-intensive manual process of spline insertion on window and door screens and improve the quality and consistency of your finished screens with the newly redesigned Screen Express System.

The Screen Express System requires minimal floor space and features automatic frame fixture positioning activated by 2D or 1D bar code scanning (or FTP download). With up to 1,000 individual style setups and up to 100 size/style file batching for extruded or roll formed screen frames, your productivity will skyrocket all while producing a higher quality finished screen giving your operation a distinct competitive advantage.

Schedule a No Obligation, 1-on-1 Consultation

with a Winpro Technical Advisor today to learn more about the Screen Express System.

A large industrial laser processing unit, the LiSEC LSP-A, is shown in a factory setting. The unit is composed of several large, rectangular modules in white and red. It is positioned in front of a large glass panel that has been processed with a grid of small, square holes. The unit is mounted on a dark red base.

LSP-A

LiSEC @ GlassBuild America
23rd - 25th September
Las Vegas, Booth 1345

Laser processing for functional and decorative glass applications

- High-precision surface structuring
- Clean, chemical-free decoating methods
- Compact, modular system for easy integration

The original warm edge just got warmer with Intercept® Extreme™

Introducing the next-generation warm edge spacer, engineered for exceptional thermal performance - a collaboration from industry leaders - GED Integrated Solutions, Inc., Vitro™ Architectural Glass, and Technoform!

Thermally broken u-shaped Intercept® spacer

- Highest thermal insulating performance in the competitive market
- Hybrid material designed to process on the Intercept® machine platform

Construction

- Stainless steel side walls
- Polymer bridge in base to decouple thermal energy transfer

One machine

- GED's Intercept 2.5 machine reinvented to manufacture Intercept® warm edge spacers from three materials

Visit us in the Innovation Lounge to find out more about Intercept Extreme!

**ULTRA CELL® Micro-Cellular Foam Seal**

Microcellular foam technology engineered for excellent compression-set resistance, ensuring minimal loss of functional height over time.

LH20 Lock Handle

Low profile lock handle with a flared lever for easy operation and a brush seal handle plate.

**ULTRA CELL® Micro-Cellular Foam Seal**

Fully heat-weldable microcellular foam seal that can be pre-inserted into full-length lineals, then miter-cut and welded to create a continuous, gap-free seal.

**X-DRIVE OP08 Operator**

Two directional fixing for a secure connection and optimal seal. Automated manufacturing assembly and patented laser technology ensures precise and consistent quality.

The #PerfectMatch at

GlassBuild Booth 2532

Roto & Ultrafab

Smooth to operate. Tightly sealed against the elements. Roto X-DRIVE hardware and Ultrafab ULTRA CELL® weatherseals work together to enhance comfort, efficiency, and long-term performance of Casement and Awning windows.

Tempering is Tough.

Training Isn't.

The industry's only heat-treating training for glass fabricators.

NGA's new Heat-Treating & Tempering Training is the industry's only specialized education for glass fabricators with tempering facilities. Developed by trusted industry experts, each unit equips your production personnel with practical foundational skills they can use on the factory floor immediately.

Heat-Treating & Tempering Course Bundle includes:

- Basics of Heat-Treating
- Preparing Equipment for Heat-Treating
- Preparing Glass for Heat-Treating
- Operating the Furnace
- How to Inspect Heat-Treated Glass

See us at GlassBuild America, booth 4645

Heat-Treating & Tempering courses available for purchase on MyGlassFAB.com. Each course bundle includes 13 free Fabricator Fundamentals courses as well.

Browse the bundle and start training today.

MyGlassTruck.com by Demountable			

Built for the bold.

High performance solutions for dark windows and doors.

Dark colors absorb more heat
mcX polymer-based components help you deliver the style your customers want – without compromising performance.

Performance you can see. Quality you can trust.

UV DEFENSE

Protects against fading and long-term wear.

COST EFFECTIVE

Delivers premium performance at a lower total cost.

THERMALLY STABLE

Minimizes the effect of thermal movement for lasting reliability.

NO ALUMINUM

Non-metal solutions that won't corrode, pit or stain.

IMPACT RESISTANT

Engineered for strength and durability.

ENDLESS OPTIONS

Colors, finishes and profiles to match any vision.

Style shouldn't come at a cost to performance.

mcX gives you the freedom to design with confidence—offering the durability, efficiency and aesthetic flexibility your projects demand.

Make dark your advantage with mcX.
