# 9600 SERIES

## SIDE LOAD SINGLE HUNG

### 9600 Series Features

- Models include: Side Load Single Hung, Picture Window, XO, XOX Horizontal Slider.
- Accepts the constant force balance system in the Single Hung (John Evans system).
- Welded frame and sash enhances structural integrity and increases weatherability.
- The 3" frame is available in new construction configurations.
- For ease of new construction installation, it comes with a pre-punched nailing fin.
- Subtle accessory grooves come standard so you can securely accommodate trim and other attachments. Multiple accessories available.
- Accepts 3/4" insulated glass.
- Sweep lock maximizes daylight opening
- A streamlined, simple, clean exterior offers a pleasant, aesthetic design that is easy for manufacturing.
- Weatherstripping provides extra protection against air-infiltration and enhances the energy efficiency.
- Popular side load bottom sash in Single Hung.
- Universal frame system for the Single Hung and XO Horizontal Slider for ease of manufacturing.
- Capable of WOCD (Window Operating Control Device).

Part of the American  
Homestead® family of products.
